Growing up in the historic Ramsey Hill neighborhood of St. Paul, John Lynden discovered his passion for architecture and the importance of building and revitalizing communities. Through Lynden Realty, Ltd., which he founded in 2003 after working for a small real estate broker in St. Paul for several years, John strives to create positive experiences for his customers. Specializing in the urban neighborhoods of St. Paul and Minneapolis, John understands the emotional magnitude involved in buying or selling a house and fosters these transactions through patience and expertise. John's ability to find the right home for the right person, plus his ability to walk his clients through the home-buying process every step of the way, that's what makes him a great realtor.
